## Porridge

Thanks to Mr. Stevens, the children enjoyed a very successful breakfast of porridge and raspberry coulis on Tuesday morning provided by the kitchen at BANES. While they were eating, they were treated to a rendition of Goldilocks and the Three Bears read by Mrs. Stevens to their daughter Lucy.

We were very proud of all of the children as they all tried some of the porridge and there was a great atmosphere in the hall as they all chatted and shared their thoughts!

Thank you also to the parents who came to support their children, it was great to see you all here.

## Praying for the Federation

On Wednesday 20th March at 18:45, a group of parents and staff are going to meet in St Julian's Church School for about an hour to pray for the federation. We plan to meet once each term. All are welcome. If you want to speak to anyone about this please see Joanna Sweetland (Nathaniel's Mum Y1 at St Julian's) or Emily Marquez -Vega (Jack's Mum Y1 at St Julian's ) or contact them on [joannasweetland@gmail.com](mailto:joannasweetland@gmail.com) & [emilyemily1603@hotmail.com](mailto:emilyemily1603@hotmail.com).

## **History Display at Radstock Museum**

Radstock Museum are holding an exhibition about the history of the villages in the area. The Shoscombe History Society have a display which includes work from the children at our school.

They would love you to go and have a look.

## Reception

In Reception Class our new topic is Communication. We have been finding out about the history of the telephone and experimenting with cup and string phones. At the end of last term we enjoyed communicating with children from Camerton and St Julian's during a fantastic Hedgehog day at Camerton School. We worked together exploring the outdoor area visiting the woods and making dens. We had a visit from a live hedgehog and we also made our very own hedgehogs.

## Year 1 and 2

Pupils in Year 1 and Year 2 are really excited about their new topic 'Communication'. They have been learning about different types of communication and were very interested to compare the latest 'Smart' technology with the first mobile phones. Children made 'Cup and String Telephones' to show that sound travels as vibrations.

## Year 3 and 4

This week the children have designed their own investigations to test various properties of paper. They recorded their results after which they produced and analysed graphs.

## Year 5 and 6

The Year 5 and Year 6 pupils have been working hard creating and perfecting their dance for forthcoming Dance Umbrella event. We are all very proud of the children who have chosen to take part.

They are nearing the end of their Africa topic and should be delighted with the projects that they researched and wrote. The week after next week, both year groups will be cooking African food in class. They will be sure to write the recipes for anyone who would like to replicate their culinary delights.
