

# SHOSCOMBE CHURCH SCHOOL

Church Valley Schools Federation

Dear Parents and carers,

Thank you once again for your continued support during the last term. It has flown by! It is hard to believe we only have term 6 left this academic year.

Children in Year 6 across the federation handled the national testing last week with maturity. Well done to all of them. Thank you for keeping them all calm at home too!

Thank you to all who attended the Duck Race on Friday evening in Wellow. Although not the brightest, warmest evening, the rain did just about hold off. Thank you to all who helped to make the evening a success. The PTA will announce just how much was raised as soon as it is finalised.

St Julian's Wellow have been involved with the Jumbled Windows project at Wells Cathedral during the last term. A display with examples of learning from all the classes is in the Cathedral and can be viewed over the next couple of weeks until Sunday May 31<sup>st</sup>. Do pop in to have a look. Many other schools have also been involved. Thank you to Staff, Mrs Soccorso and Mrs Knowles who assembled the display on Monday this week.

Thank you to staff from Shoscombe and Wellow for taking part in the latest Comenius mobility to Barcelona.....I know they have enjoyed some beautiful sunshine. We look forward to hearing about their trip on their return.

I hope you all have a great week next week and look forward to seeing you all on TUESDAY 2<sup>nd</sup> June.

Please try to support the upcoming events in the federation. It is still not too late to support Madi Tomb's fund raising following her abseil event. <https://www.justgiving.com/MadiTombs>

We have had more cases of nits and some parents are getting very frustrated! Could we, again, ask you to check your child's hair and deal accordingly. I know this is a recurring problem but maybe a weekly check?
