

St Julian's Church School & Shoscombe Church School

Pupil Premium Policy

Issued: 2014

Review: Term 3 Annually

School vision

The targeted and strategic use of pupil premium will support us in achieving our vision and narrowing the gap for key under-attaining and underachieving groups. Our aim is that all groups will not be academically disadvantaged (not achieving what they are capable of) because of where they live or their annual income.

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. At least 70% of any group will be made up of FSM children
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Provision

The range of provision the Governors may consider making for this group could include:

- Reducing class sizes thus improving opportunities for effective AfL and accelerating progress
- Providing small group work with an experienced teacher focussed on overcoming gaps in learning

- 1-1 or small group support
- additional teaching and learning opportunities provided through trained LSAs or external agencies
- providing opportunities for pupils to access services that otherwise they would not be able to access such as clubs, school visits and access to computers/online resources
- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in Speaking and Listening, English and Maths
- Pupil premium resources may also be used to target able children on FSM to achieve above age related expectations
- Provision will not be aimed at statemented children or those at SA+
- Provision will be aimed at extending opportunities to pupils who access FSM such as a summer play schemes, uniform, swimming costs and a reduction on fees to residential etc.

Reporting

It will be the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports for the Governors' Curriculum Committee on:

- the progress made towards narrowing the gap, by year group, for socially disadvantaged pupils
- an outline of the provision that was made since the last meeting
- an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support
- The Governors of the school will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of 'narrowing the gap', for socially disadvantaged pupils. This task will be carried out within the requirements published by the Department for Education

Success Criteria

- Early intervention and support for socially disadvantaged children
- The majority of children meet their target
- Effective school/ parental support
- Creating a positive atmosphere that supports pupils differences, values these and helps to develop confident and active learners

Appeal

Any appeals against this policy will be through the Governor's complaints procedure
Agreed by Chair of Curriculum Committee
