## Maths Non-Negotiables: Reception

### Counting and Ordering

- \* I can count from 0 - 20
- \* I can count irregular arrangements of up to 10 objects

### Calculations

- \* I can practically add and subtract two single digit numbers
- \* I can solve problems including doubling, halving and sharing

### Measure

- \* I can use everyday language to talk about size, weight, capacity, position, distance, time and money

### Numbers and Place Value

- \* I can say one more and one less than a given number up to ten and then twenty

### Shape

- \* I can explore characteristics of everyday objects and shapes and use this mathematical language to describe them: vertices, edges, faces, curved, straight, lines, solid, flat
- \* I can recognise, create and describe patterns

What's next for me?
