**I like Shoscombe School because....**

It is a small village school where nurture and support are readily available. Friendly school community and lovely setting.

It is caring nurturing environment. The whole school is a community and everyone has the chance to be involved.

The staff take into the children's individual needs, there is a focus on community, an emphasis on outdoor learning and there is a family feel to the school.

Small, friendly, approachable. Good teaching and support staff. Obvious that continuous improvements are taking place.

Great teachers, welcoming feel for the children, nurturing atmosphere (buddy system, EE Team) Chickens and Gardening Club. Evie has made great friends.

It is small and the children get to mix with different age groups.

You have provided Arielle the best year 6 we could have wished for both academically and socially. I think you are doing a fantastic job and cannot think of any improvements.

All staff are always friendly and helpful and inclusive. My daughter has plenty of opportunity to thrive at school.

Its small and nurturing, currently have brilliant teachers. It offers a countryside/outdoor environment.

It's small, village school with a 'family feel'. Stunning rural setting. The school doesn't just care about traditional academic subjects and results. It also values art, music, drama. Foreign trips with Erasmus show children a world beyond their own. Forest school, a new way of learning.

I like Shoscombe because of the location, friendliness of staff and small year sizes.
