Welcome to Term 5!!

How were the Easter holidays? Did you eat lots of chocolate and play in the sunshine?

This is our new way of working..... everyday your work can be accessed on these slides.

Today's plan

Phonics/spelling - Write Stuff - Maths - TTRS - Vocabulary
Challenge - Daily exercise - Music

Make sure you take a
break and get some
exercise!

If you are in a phonics group please go to your dojo group and do today's lesson.

Everyone else, you need to use the statutory spelling list and choose the next 5 words on the list. Choose a method for practising them: look say cover write check, pyramid words, rainbow words or put them in a sentence.

Rainbow Spelling

Write each spelling word four times.
First, write each word in pencil. Second, write each word in crayon. Third, write each word in marker. Fourth, write each word in chalk.
Alternatively, write each word using four different coloured pens or pencils.

Music Week 1 Lesson 1

We are going to start the theme of our Wonderful World by listening to a piece of music from a British composer (Vaughan Williams) describing the countryside. You will then compose your own music describing the countryside by using objects you can find in your house.

Or if you know how to play an instrument, get it out of its case or sit down at the piano and be ready to compose!!!

The lesson can be found in the link below
