

# Sycamore

Tuesday 28th April 2020

*Sycamore, parents and children.....*

*It was great work that was being sent in yesterday and it was especially lovely to speak to some of you on the phone yesterday. It was good to hear your voices. So listen out, I may be calling you today for a chat and to see how you are. :-)*

So today's plan .....

Phonics/spelling - Write Stuff - Maths - TTRS - Whole Class Reading - Daily exercise - Location study

Make sure you take a break and get some exercise!

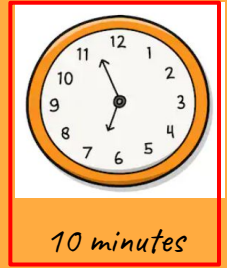

If you are in a phonics group please go to your dojo group and do today's lesson.

Everyone else, you need to use the statutory spelling list and choose the next 5 words on the list. Choose a method for practising them, maybe.....

- Have you tried scrambling your words with the letters mixed up then unscrambling them a few hours later. Eg watch - cwhta
- Or write all the words replacing each vowel with a line. Go back and see if you can fill in the vowels eg q\_\_st\_\_n = question

# Maths

## Summer term, week 2

Year 4 work is [here](#) You are looking at halves and quarters in decimals

Year 5 work is [here](#) You are subtracting decimals together

Year 6 work is [here](#) You are looking at angles in regular polygons

If you finish your work quickly, go back to Friday's lessons as they were a series of challenges which test your reasoning which is really good. So have a go if you have time, you should spend up to 45 minutes on your maths.

## Great Wall of China

What do you know about The Great Wall? Write down or tell someone in your family what you know about it. Then have a think about what you'd like to know..... For example, do you know how old it is? Would you want to know why it was built?

Write down the questions you would like to find the answers to and then watch [Film with info about Great Wall](#) and then take a 360 degree tour of the wall with [this link](#)

So did you find the answers out to your questions? Can you write down 5 to 10 new facts that you have found out having watched

Well done!! Another day done!

Today you can send me two or if you want three different pieces of work to look at on your portfolios

- Your Write Stuff sentences (have you checked those spellings and full stops?!?) by 2pm
- Your maths and/or your Location study work.

Remember to send me Kahoot questions for Friday.....!!
