The map opposite shows the route of the Great Wall of China - have you heard of it? What do you think it is?

How high do you think it is?

Use this link [here](#) to look at the Great Wall of China, you can move the view so you can change what you look at, including clicking on the helicopter to get a birds eye view.

Isn't it amazing! So big.

- Can you try and make your own Great Wall using lego or bricks - can you include the look out posts?
- Draw a picture of the Great Wall, include the hills that are all around.
