Music Week 3 Lesson 2

Today we are going to listen to a piece of music by another British composer, this is different this week as it is a choral piece of music (it's a song sung by a choir). Listen to the song then have a go at writing your own song.

Key stage 1 - if it's too much to write your song down, you may like to draw pictures then sing about them!

The lesson can be found in the link below....
