*Please upload to your portfolio: a photo of what you have done*

*Afternoon ~~PE activity~~ **Topic**-Assembly*

# Thought for the Week

'Start with Me'

## Collective Worship

Monday 1st February 2021

# Jesus is the light of the world

God  
the Father

God  
the Son

God  
the Holy Spirit

Dear God

Thank you that you walk with us through each day of our lives.

We are sorry if we try to walk on ahead at times.

Amen

Let's listen to a song...

# Let's consider the following Bible verse...

## Start with Me

*Remain in me and I will remain in you - John 15:4*

Start your day with Me. You may have some ideas about what will happen today, but I know exactly what will happen.

I know you want to see the whole map of your day, every twist and turn, every joy and pain. You think that will help you be prepared for whatever you have to face. But My way is better. Let Me be your guide. No, I won't show you every detail of your day, but I will give you everything you need to handle it.

Start your day with Me, and then keep in touch. If you find your thoughts wandering where they shouldn't, just whisper My Name. I'll guide you back to the right road, because I am the best map you'll ever find!

*(An extract from 'Jesus Calling' by Sarah Young)*

# A time to reflect...

Take a moment to think about this passage from the Bible.

I wonder:

- What your thoughts are as you awaken each morning.
- Whether you map out everything in expectation of a perfect day.
- How you feel if things don't go according to your plan.
- Whether you are able to remain positive as you reassess the remainder of your day.
- Who you turn to if your day wanders from your intended path.
- Why Christians turn to God to guide them back to the right road.

**Dear God,**

Thank you for guiding us safely through each day.

Help us to listen carefully as you whisper words of encouragement.

Support us as we resist the urge to walk on ahead without you by our side.

**Amen**

**GO IN PEACE.**

LUKE 2:30

Go in peace to love and  
serve the Lord!

We will!
