## Maths : Problem solving

Rosie has used the data in the table to plot the line graph.

Time	11:00	11:20	11:40	12:00	12:20	12:40	13:00
Height above ground (m)	0	180	150	200	210	120	0

Group B

What mistakes has Rosie made?

Can you draw the line graph correctly?

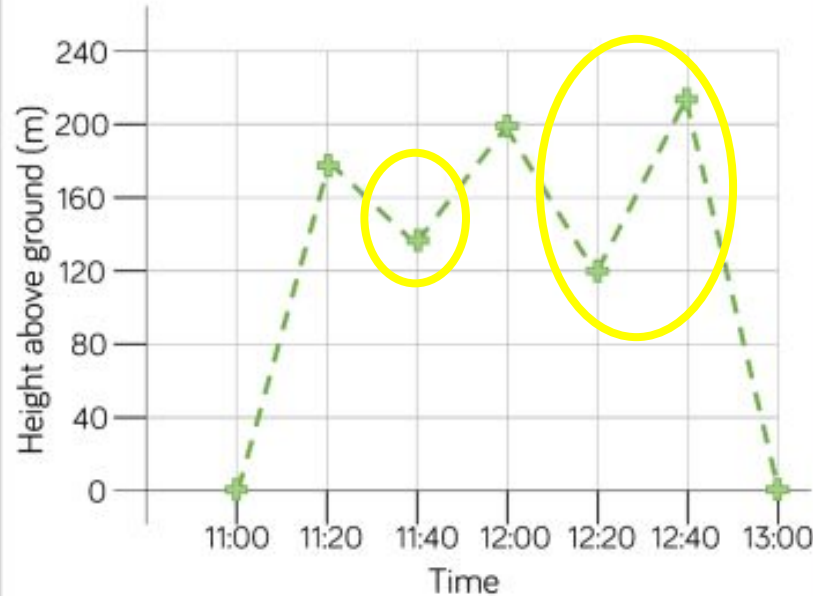

# Maths : Problem solving

Group B

Rosie has used the data in the table to plot the line graph.

Time	11:00	11:20	11:40	12:00	12:20	12:40	13:00
Height above ground (m)	0	180	150	200	210	120	0

Rosie has plotted the time for 11:40 inaccurately, it should be closer to 160 than 120

She has mixed up the points for 12:20 and 12:40 and plotted them the other way round.
