Jesus is the light of the world

God

God
the Holy Spirit

Dear God,
Thank you for wanting the very best for each and
every one of us.

We are sorry if we do not always trust you to
make our dreams come true.

Amen

Let's listen to a song...

Let's consider the following Bible verse...

Every Step

For He will order His angels to protect you wherever you go. - Psalm 91:11

The future is like a huge mountain looming in front of you. Its peaks are spiked with troubles, and its sides are pitted with problems. How can you face something so huge?

The real trouble is not the mountain - it's that you're looking only at the mountain. And because you aren't looking at where you're going right now, you stumble on the easy path of today.

I know how much that future mountain worries you. But it may not even be part of our path. You don't know what will happen today, much less tomorrow. I may suddenly turn you away from the mountain, or show you an easier path. But I promise that if I ask you to climb that mountain, I will give you everything you need to reach the top. My angels will protect you. And I will be right by your side every step of the way.

(An extract from 'Jesus Calling' by Sarah Young)

A time to reflect...

Take a moment to think about this passage from the Bible.

I wonder:

- How you feel when you are faced with difficult situations that could affect your future.
- Whether you are concerned about the problems you may face as you grow up.
- What you will do to ensure that you face problems 'head on' rather than avoid them.
- Who you will turn to if things don't go according to plan.
- Why Christians trust in God to steer a clear pathway through their lives.

Dear God,

Thank you for being with us each and every day of our lives.

Thank you for celebrating the good times with us and supporting us through the challenging times.

Help us to know that we can rely on you always.

Amen

GO IN PEACE.

LUKE 2:50

Go in peace to love and
serve the Lord!

We will!
