Morning - ~~Phonics~~ - **Maths** - English

Afternoon - Wellbeing Activity - Assembly

The activity card has a dark blue border. At the top right, it features a cartoon character and the hashtag '#MathsEveryoneCan'. On the left side, there is a large, rounded rectangular domino shape with a horizontal line across its center. To the right of the domino, the text reads: 'Explore all of the different ways that you can make 7 on a domino. Have you found all the possible ways?'. Below this text are seven black dots arranged in two rows: the top row has four dots and the bottom row has three dots. At the bottom of the card, it asks 'How else could you represent 7?'. In the bottom right corner, there is a small logo for 'White Rose Maths'.

# English

You will need a piece of paper and some felt tip pens/colouring pencils.

**Grown ups:** please could you draw a line across the middle of the piece of paper.

## Friday - Dress to Express

On Friday 12th February 2021, we are going to hold a 'dress to express' day. Children in school can participate as well as children at home! This will involve you expressing yourself through your clothes. You might want to wear your favourite colour or choose a range of colours that express how you are feeling. You may even want to dress up!

Dear God

Thank you that providing a new adventure for us each day.

We are sorry if we sometimes forget to listen to you and choose our own path instead.

Amen

Let's listen to a song...

# Let's consider the following Bible verse...

## Expect Surprises!

*This is the day the Lord has made; let us rejoice and be glad in it - Psalm 118:24*

Try to see each day as an adventure, planned out by Me, your Guide. Instead of trying to make your day into what you want it to be, open your eyes to all the things I have prepared just for you. Each day is My precious gift to you - and you only have one chance to live it. Trust that I am with you every minute, working in your life. And then thank Me for this day - no matter what happens.

Expect Surprises! When you live your life with Me, no day will ever be boring or predictable. Don't take the easiest path. Don't just get through the day. Live it! Be willing to follow Me wherever I lead. Even when My way seems scary, the safest place to be is by My side.

*(An extract from 'Jesus Calling' by Sarah Young)*

# A time to reflect...

Take a moment to think about this passage from the Bible.

I wonder:

- How you view each waking day.
- Whether you are excited by the prospect of a new adventure.
- What route you choose when you are faced with a tricky decision.
- Whether you make the most of each and every day.
- Who you depend on to support you through an 'unexpected surprise'.
- How God feels when His children choose to walk by His side.

Dear God,

Thank you that each day is full of surprises.  
Help us to embrace the adventures that you  
plan for us and encourage us as we make the  
most of each and every moment.

Help us to support each other as we  
embark on our daily journey through  
life.

Amen

**GO IN PEACE.**

LUKE 2:50

Go in peace to love and  
serve the Lord!

We will!
