Write Stuff

Sycamore,

We will have a webex at 9:30 to answer questions if you have them, I want to see you all so do come along even if it's just for 5 minutes.

Today you are carrying on with your planning and can start writing!

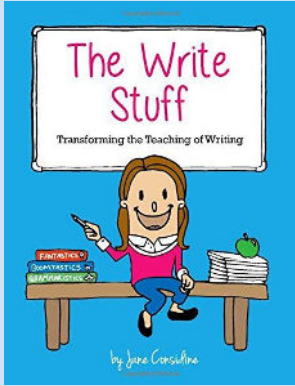

Click [here](#) for some more advice and ideas to help you.

It is really difficult to plan and write at home on your own without your friends and teachers to help you. Do your very best, adapt where you need to and be resilient. If you need help, message Mrs Pudsey. Please don't worry.

Write Stuff - Live lesson.

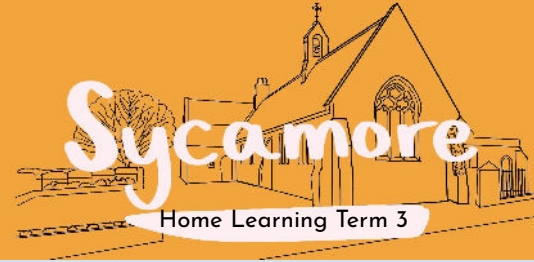

Go to the webex link in class story for today's lesson at 9:30. Looking forward to seeing you!

Chapter 8 - Auditions - Inference and Retrieval Answers

I - What impression do you get of Dr Mobius? Use the text to help you and give reasons why.
You get the impression that Dr Mobius is a wealthy man, because he is described as wearing fine clothes, jewelry and musk. You also get the impression he is hiding something when his sleeve rolls down to reveal a tattoo and his demeanour changes.

I - How did Moll surprise Tom? Why is it ironic?
Moll surprised Tom by giving him some new clothes. This is ironic because she bought the new clothes with the money she had stolen and when she rescued him, she wanted to kill him herself as revenge.

R - How is the Rose Theatre described? Look at pg. 131 (kindle users: 4th page of chap 8)
A large, round building, part wood, part plaster, part brick.
