

**Shoscombe Church School Contingency Plan for Remote Learning, updated March 2021**

**Government Expectations:**

For individuals or groups of self-isolating pupils, remote education plans should be in place. These should meet the same expectations as those for any pupils who cannot yet attend school at all due to coronavirus (COVID-19). See section on remote education support.

In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. Schools will also need a contingency plan for this eventuality. This may involve a return to remaining open only for vulnerable children and the children of critical workers and providing remote education for all other pupils.

At Shoscombe Church School we have a clear plan for how we will deliver Remote Education, both to whole cohorts, bubbles or to individuals. Remote Education Provision: information for parents is available on our website through our [Covid-19 Information page](#).

Individual Pupil	Curriculum	Safeguarding
In the event of a child receiving a positive test and being in isolation for 10 days, assuming they feel well.	The class teacher and Head of School will make regular contact with parents to help us understand your situation and how we can best provide education for your child through these circumstances.	<ul style="list-style-type: none"> <li>○ Daily contact with class teacher through either a live lesson, Dojo or phone call</li> </ul>
In the event of a child in isolation for 14 days	Generally, the class teacher will send a daily set of learning based on the previous day's learning in class. This will allow your child to keep pace with the whole class but without increasing teaching workload.	<ul style="list-style-type: none"> <li>○ Monthly home visits to check well-being for those shielding if thought necessary</li> </ul>
In the event of shielding or longer term absence.	<p>Where possible the child will be able to access at least some lessons live, learning remotely alongside the whole class.</p> <p>The EWO may also contact the family to offer their services and support.</p> <p>If the child at home is struggling or they are not engaging, we will support as required.</p>	<ul style="list-style-type: none"> <li>○ Delivery or pick up points to deliver resources where and when needed</li> <li>○ Weekly phone call from SLT to ensure well being</li> <li>○ Where possible and at the Head Teacher's discretion some IT equipment could be made available and loaned to those who are having difficulty accessing work</li> </ul>

Groups of Pupils	Curriculum	Safeguarding
<p>In the event of an outbreak in a bubble- therefore the bubble has to isolate.</p> <p>In the event of local lockdown – full school closure</p>	<p>We will teach the same curriculum remotely as we do in school wherever possible and appropriate. However, we will need to make some adaptations in some subjects. For example, PE will be suggested activities for children to complete at home independently along with some links to online fitness ideas.</p> <p>Children will have daily English and Maths lessons, along with suggested spelling, grammar or handwriting activities and times tables / number facts activities. Younger children will have daily phonics sessions provided. Children are expected to read daily.</p> <p>Children will have a daily wider curriculum lesson. This will be based on the curriculum each class would normally be learning in school.</p> <p>Fridays will be different each week. Flexi Friday will include an opportunity to recap, revisit and revise the week’s learning allowing children to catch-up on any missed activities and to demonstrate what they have remembered and learnt. Fridays will also be the day of the week for a PE activity.</p> <p>We will use Dojo to set daily learning. Children/parents will be sent a link to a daily slide on Dojo. This slide will guide your child through their whole day of learning with all necessary links and resources embedded.</p> <p>We will use a combination of the following teaching strategies:</p> <ul style="list-style-type: none"> <li>● live teaching (online lessons)</li> <li>● recorded teaching (e.g. Oak National Academy lessons, video/audio recordings made by teachers)</li> <li>● textbooks and reading books pupils have at home</li> <li>● commercially available websites supporting the teaching of specific subjects or areas, including video clips or sequences</li> <li>● Online reading schemes and libraries</li> <li>● Instructional daily slides with activities and tasks provided and explained</li> </ul>	<ul style="list-style-type: none"> <li>○ Daily contact with class teacher through either a live lesson, dojo or phone call</li> <li>○ Monthly home visits to check well-being for those shielding if thought necessary</li> <li>○ Delivery or pick up points to deliver resources where and when needed</li> <li>○ Weekly phone call / join a live lesson from SLT to ensure well being</li> <li>○ Children receiving free school meals will be sent a food parcel.</li> <li>○ Where possible and at the Head Teacher’s discretion some IT equipment could be made available and loaned to those who are having difficulty accessing work</li> </ul>
