Local Procedures

- Shoscombe use CPOMs to log incidents – levels of access within CPOMS depends on role within school. Every member of staff has a log in and can report concerns.
- All staff have had Safeguarding and Child Protection training
- All staff have been trained in how to report concerns on CPOMS.
- In the event that staff cannot access CPOMS they must report a concern using a 'cause for concern' sheet. This is available electronically on the t-drive and as a paper copy in the Head Teacher's office and in the staff room.
- Staff who log concerns of high priority are trained to also speak to the DSL or a deputy DSL in person as well as logging the concerns. This ensures that staff are fully aware of a high priority concern in 'real time' and are able to action immediately.
- All related documents are scanned and logged on pupils' CPOMS file to ensure the profile is up to date and stored in chronological order.
- Paper files from previous years (before electronic system) are locked away RN's office. Only RN and TR have access to this file.
- Request for Service (C2) forms are completed by RN or TR - this is now online
- Core group/ CP / CIN conferences are attended by RN or TR
- Annual safeguarding audits are completed by RN and are done so in line with Ofsted requirements.
- In the absence of RN and TR, staff can contact CM at St Julian's or Alun Williams (CEO)
- The SLT meet regularly to discuss CP/ safeguarding concerns
- RN liaises with Sharon Crane and the LA with any policy updates.
- RN or TR will attend MAT DSL meetings
- RN or TR attend BANES LCSB meetings
